^{2a}Players in this age range that have graduated high school are ineligible only if they have been enrolled at a university, college, community college or junior college AND have been cleared to participate by that (volleyball) program.

^{2b}Players who were born on or after July 1, 2008, (who are defined as 18 & under by the USAV Age Definition) and are in the 11th grade for the current academic year are eligible to compete in 17 & under.

⁴**Male Only** - Players who were born on or after July 1, 2012 (14 years or younger) who shall neither have completed nor are in a grade higher than the seventh grade (7th) during the current academic year are eligible for a Region approved waiver to compete in the boys 13's age group.

Club teams will accomodate on a team by team basis, see your coach regarding scheduled club practices/tournaments.

Families with multiple children participating in club will be handled on an individual basis

Common Questions Cont...

Beach club starts in June. That is a different club season with separate fees.

- **Are there any non-travel teams this year?**

The teams we are able to offer this year are discussed in this presentation.
